

5598 LONG SLEEVE T-SHIRT UV-PRO HI-VIS

Jobman 65559868

Long sleeved T-shirt in permanent wicking polyester, quickly transports moisture away from the skin and keeps you dry. The fabric is specially designed to protect against the sun's ultraviolet rays, certified UPF 40+. T-shirt with a good fit allows freedom of movement. Round-necked top and button placket with four buttons. Contrast colour in collar, cuffs and at the end of the top for dirt-obscuring. Flatlock seams in black and printed label in the neck. Seamless soft reflective strips featuring Jobman design. Reflective strips on the shoulders for optimal visibility. Certified according to EN 13758-2:2003+A1:2006 UPF 40+. Certified Class 2 according to EN ISO 20471.
