

ZELLER+GMELIN

CERTIFICATE OF CONFORMITY

This is to certify conformity

Divinol Ecogrease LC 2 EP (item no.: 28130)

produced/supplied by

Zeller+Gmelin GmbH & Co. KG
Schlossstraße 20
D-73054 Eislingen

with all applicable EU directives and regulations for chemicals which apply to it.

In detail we hereby confirm that this product complies with all European and German regulations for chemical products, e.g. the guidelines for classification, labelling, documentation (safety data sheets) and restriction of use of hazardous substances and the provisions of the REACH Regulation.

We confirm that Zeller+Gmelin has established the Quality Management System of ISO 9001 (registration number: 001567 QM15) and the Environmental Management System of ISO 14001 (registration number: 001567 UM15).

Please find quality test results in the Certificate of Analysis which can be ordered for each delivery.

We certify that Divinol Ecogrease LC 2 EP is manufactured in accordance with all defined manufacturing specifications. Every batch is checked by applying the quality control plan. Only approved products are shipped.
