

## General Product Safety Regulation (GPSR)

Erwin Halder KG is a manufacturer of standards, workholding systems, aviation products and hand tools. We deliver our products worldwide in almost all industries.

Some of our products are intended for consumers / private end customers and are therefore covered by the General Product Safety Regulation (GPSR) (EU) 2023/988. Product safety has always been a self-image for us, which is why we can confirm compliance with the regulation and thus the safety of our products for the consumer / private end customer.

The products are distributed by us under the following brands:

- „HALDER“
- „SIMPLEX“
- „BASEPLEX“
- „SUPERCRAFT“
- „BLACKCRAFT“
- „SECURAL“
- „FERROPLEX“
- „PUSH&GO“

Any safety instructions can be found on the homepage for the respective products or in the enclosed operating instructions. In addition, you can access our relevant documents:

<https://www.halder.com/eng/PM/Hand-Tools/Mounting-Safety-Instructions>

For specific product assignments and further details, our BMEcat is available, which you can request at the mentioned contact below. Here you will find relevant data regarding products, descriptions, illustrations as well as assembly and safety instructions for each article.

If you have any questions, concerns, complaints or information regarding the safety of our products, you are welcome to contact us using the following contact details:
