

# HAVEL

## Product safety information according to EU 2023/988

### PRODUCT INFORMATION

**Product designation:**

HAVEL Hose protection spiral

**Article number:**

**Product category:**

**Product description:**

Hose protection spiral for protecting cables and hoses.

**Labeling:**

**Warning notes / Caution icons:**

**Test standards/Certifications:**

### Safety Warnings for Hose Protection

1. Intended Use  
This hose protection product is designed to shield hoses from abrasion, impact, and environmental factors. It must not be used for any purpose other than its intended use.
2. Inspection Before Use  
Always inspect the hose protection before installation or use. Do not use if the product shows signs of wear, damage, or degradation.
3. Installation Precautions
  - Ensure proper installation as per the provided instructions. Incorrect installation may compromise the safety and effectiveness of the product.
  - Do not use tools or methods that may damage the hose protection during installation.

#### 4. Temperature and Pressure Limits

- Verify that the product is compatible with the operating temperature and pressure range of the system.
- Exceeding these limits may result in failure, posing safety risks.

#### 5. Environmental Exposure

- Protect the product from exposure to aggressive chemicals, UV radiation, or conditions beyond its specified resistance capabilities.
- Contact with inappropriate substances may lead to degradation.

#### 6. Regular Maintenance

- Periodically inspect the hose protection for wear, damage, or loose fittings. Replace immediately if any issues are detected.
- Failure to perform regular maintenance may lead to safety hazards.

#### 7. Children and Unauthorized Personnel

- Keep the product away from children and unauthorized personnel.
- Misuse or tampering may result in injuries or reduced product effectiveness.

#### 8. Emergency Situations

- In case of product failure, immediately cease use and replace the hose protection.
- Do not attempt repairs; use only certified replacement parts or contact the manufacturer.
