Safety Warnings for Pin remover

1. Intended Use
This pin remover is a tool for removing the pin sockets of chains. It must not be used for any purpose other than its intended use.
2. Inspection Before Use
Always inspect the tool before use. Do not use if the product shows signs of improper wear, damage, or degradation.
3. Environmental Exposure
 - Protect the product from exposure to aggressive chemicals, UV radiation, or conditions beyond its specified resistance capabilities.
 - Contact with inappropriate substances may lead to degradation.

4. Children and Unauthorized Personnel

- Keep the product away from children and unauthorized personnel.
- Misuse or tampering may result in injuries or reduced product effectiveness.

5. Emergency Situations

- In case of product failure, immediately cease use and replace the tool.
- Do not attempt repairs; use only certified replacement parts or contact the manufacturer.
