## PRODUCT INFORMATION

**Product name:** KOX FLEECE JACKET YELLOW/RED

**Article number:** XX76128

**Product category:** Textiles, clothing and footwear

**Product description:** The new KOX Fleece jacket in yellow/red convinces with proven materials and modern design. The improved fit offers a high level of comfort and freedom of movement, while the sporty cut and colour variants allow for versatile combinations. Material 60 % polyester, 40 % polyacrylic

**Warnings / Warning icons:** no cut-resistant jacket. Signal colours only offer increased visibility in daylight. Additional lighting required in the dark. Jacket is water-repellent, but not completely waterproof. Use more suitable clothing for longer work in the rain. This jacket does not provide protection from heat and fire. Keep away from open flames and high temperatures. Wear only in the appropriate size to ensure protection and freedom of movement. Jackets that are too tight or wide can reduce the protective effect. Clean only according to the manufacturer's instructions. Improper care can impair the protective effect.

**Washing instructions/wash icons:**
