PRODUCT INFORMATION

Product name: KOX Outdoor Trousers Dynamic Green

Article number: XX78206

Product category: Textiles, clothing and footwear

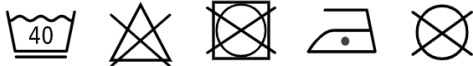

Product description: The KOX Outdoor Pants Dynamic offer a perfect fit and maximum freedom of movement for all outdoor activities. Its breathable, water-repellent 4-way stretch upper ensures a high level of comfort, while the elastic Strongflex knee area and the robust Cordura leg cuffs offer ideal protection and durability. The ideal complement to your workwear.

Material outer fabric: 88% polyamide, 12% elastane Lining: 100% polyester

Warnings / Warning icons: no cut-resistant trousers. These pants do not offer comprehensive protection against extreme conditions or dangers. Use additional protective clothing if necessary. During high physical activity or warm weather, heat build-up can occur. Ventilate regularly or adapt to cooler conditions. For use in the dark or in low light conditions, additional reflective elements are required. Follow care instructions to maintain the water and dirt repellent properties. Improper care can affect functionality. Wear appropriately sized pants to ensure freedom of movement and comfort. Trousers that are too tight or wide can compromise safety.
