

Product safety information according to EU 2023/988

PRODUCT INFORMATION

Product name: KOX Laces Yellow/Black

Article number: XX73521-00

Product category: Textiles, clothing and footwear

Product description: The KOX pair of laces fits safety, work, outdoor and hiking shoes. The durable laces offer a long service life.

Warnings / Warning icons: Attention! Long shoelaces can lead to a risk of strangulation in children. Keep out of reach of small children. Make sure the laces are tied securely and tightly to avoid tripping or falling accidents. Warning! End pieces or fittings can come loose and be swallowed by children. Not suitable for children under 3 years of age.
