PRODUCT INFORMATION

Product name: KOX LEATHER BOOT MAINT. KIT, NEUTRAL

Article number: XX73522-10

Product category: Chemicals

Product description: The KOX shoe care set offers everything you need to clean and care for your cut protection shoes in a practical, lockable set. It contains a colourless leather conditioner/impregnator, a dirt brush, a cream brush and a shine brush – all with natural bristles. The leather care keeps the material supple, prevents cracking and drying out and preserves the water-repellent and breathable properties of the leather.

Warnings / Warning icons: Attention! Leather care products are not suitable for consumption. Keep out of reach of children. Avoid contact with eyes and sensitive skin. In case of contact with eyes, rinse immediately and thoroughly with water and seek medical advice if irritation persists. Keep away from open flames and hot surfaces. Product may be flammable. Use only in well-ventilated areas. Do not inhale vapors. Use the set only as intended for the care of leather and shoes. Improper use may cause damage to the material.
