## PRODUCT INFORMATION

**Product name:** KOX SOLID GREY GLOVES

**Article number:** XX75321

**Product category:** Textiles, clothing and footwear

**Product description:** The KOX Solid work gloves offer comprehensive protection and a high level of comfort during demanding activities. Made of durable cowhide leather, they are robust and at the same time pleasantly soft. An elastic cuff, integrated pulse and ankle protection as well as a warming inner lining make them ideal for cold temperatures. Reflective tapes also ensure increased visibility. Material palm: cowhide leather / Back of hand: 100 % polyester

**Warnings / Warning icons:** no cut-resistant gloves. protection function only for specific risks. Use appropriate gloves for the task at hand. Keep away from open flames and high temperatures. Wear only in the appropriate size. Gloves that are too tight or too wide can impair the protective function and increase the risk of accidents.

**Test standards/certifications:** EN ISO 21420:2020, EN 388:2016+A1:2018 (2122X), EN 511:2006 (110)
