## PRODUCT INFORMATION

**Product name:** KOX FLEECE JACKET ORANGE/BLACK

**Article number:** XX76129

**Product category:** Textiles, clothing and footwear

**Product description:** The new KOX fibre fur jacket in orange/black impresses with its proven material properties and modern design. The improved fit ensures a comfortable feel and good mobility at work. In addition, the KOX fibre fur jacket with its sporty cut and different colour designs can be combined in many ways. Also suitable for ladies. Order the appropriate men's size, you can find a conversion guide in our size charts.

**Warnings / Warning icons:** no cut-resistant jacket. Signal colours only offer increased visibility in daylight. Additional lighting required in the dark. Jacket is water-repellent, but not completely waterproof. Use more suitable clothing for longer work in the rain. This jacket does not provide protection from heat and fire. Keep away from open flames and high temperatures. Wear only in the appropriate size to ensure protection and freedom of movement. Jackets that are too tight or wide can reduce the protective effect. Clean only according to the manufacturer's instructions. Improper care can impair the protective effect.

**Washing instructions/wash icons:**
