PRODUCT INFORMATION

Product name: KOX Socks Coolmax Mid

Article number: XX77306

Product category: Textiles, clothing and footwear

Product description: The KOX Coolmax socks are a strong and durable companion at work and in your free time. The proven mix of Coolmax and wool combines warming and cooling properties for year-round use in a wide temperature range. Even if the conditions and activities change more often throughout the day, these KOX socks are ideal as "all-rounders". Material 55% Coolmax, 20% Wool, 20% Polyamide, 5% Lycra

Warnings / Warning icons: There is a risk of slipping on smooth floors. Extra caution when running without shoes. Wash socks according to the care instructions. Improper cleaning can affect the material and fit. Wear only the right size. Socks that are too tight can restrict blood circulation.

Test standards/certifications: Öko-Tex Standard 100
