PRODUCT INFORMATION

Product name: KOX Socks Wool Long

Article number: XX77309

Product category: Textiles, clothing and footwear

Product description: The warming and robust KOX Wool Long socks are the excellent choice for intensive use in cold temperatures. The mix of tested wool and stable polyamide offers the best wearing properties and good insulation from the cold even after a long time without causing the foot to overheat. These KOX socks are the perfect companion for the cold season. Material 60% wool, 35% polyamide, 5% lycra

Warnings / Warning icons: There is a risk of slipping on smooth floors. Extra caution when running without shoes. Wash socks according to the care instructions. Improper cleaning can affect the material and fit. Wear only the right size. Socks that are too tight can restrict blood circulation.

Test standards/certifications: Öko-Tex Standard 100
